THIRD REQUEST FOR PARTIAL REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On October 7, 2009, a statement confirming the Applicant's small entity status and an initial request for partial refunds of two 3-month extensions of time paid at the large entity rate on December 19, 2008 and September 11, 2009, respectively, were requested. On October 15, 2009, a refund of \$555 was reimbursed to the credit card for this matter. However, the total of the combined refunds for these two respective extension of time payments reflecting the small entity rate should have been \$1110 (\$555 each). The current refund still leaves \$555 outstanding. A second request for this omitted refund was filed on November 6, 2009 and has not received a response. We herewith request to be reimbursed the remaining outstanding \$555 fee to reflect the change to the small entity rate for the December 19, 2008 extension of time filing to either the credit card account used at the time of filing or our Deposit Account No. 50-2821. This request was timely filed according to 37 C.F.R. §1.26(b), which permits a two year window for requesting a refund from the date the fee was erroneously paid.

Respectfully submitted,
